Dear Tripp:

What a nice feeling it was to tell my father and our management team that I was able to save the company thousands of dollars each year. Honestly, I went out on the limb by letting Lewis & Associates review several areas of our company's expenses. But, to my relief, I was very glad that I did.

You and your partners were extremely knowledgeable and professional causing no business interruption whatsoever. We are always looking for ways to improve our operations, and your recommendations provided some insight and assistance that we would have not gotten otherwise. On behalf of the Budweiser – Busch Distributing family, I want to thank you for a job very well done.

This Bud's for Lewis & Associates!
