Dear John,

This is just a short note to express our appreciation to you and Lewis & Associates for a job well done. Being a non-profit healthcare organization, every dime saved allows us to serve our patients better. Your non-evasive approach to reviewing our expenses was very professional and efficient.

As I recall, we only had the initial meeting and a second meeting to review your cost saving recommendations. The time required to get everything implemented has been very minimal on our part, which has been a tremendous asset since we have been extremely busy over recent months.

John, we look forward to enjoying the benefits of your expense reduction recommendations for many years to come.

Thanks again for your help.

Sincerely,

Charles White
Chief Executive Officer
