Mobile, AL 36604

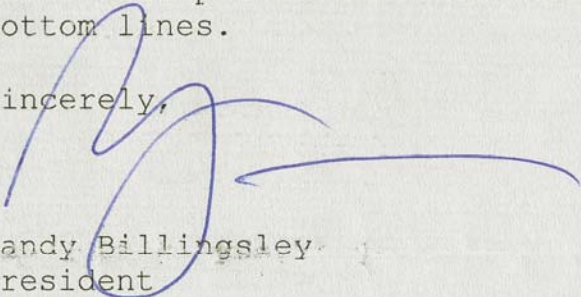

Dear John:

During these very challenging economic times, any legitimate opportunity to enhance our bottom line is well received.

After investing only a few minutes with you and your partners at our initial meeting, I could tell that your business model was something that could very possibly impact Mobile Asphalt's net profit. Your recommendations took very little of our internal time but the results are truly outstanding.

I'm writing this letter to say thanks to you and your partners. I will be happy to recommend your company if given the opportunity. I can almost guarantee that your ideas will put much needed dollars to any future client's bottom lines.

Sincerely,

Randy Billingsley  
President
